

CORPORATE SPONSORSHIP APPLICATION FORM

The Independent Doctors Federation is the largest organisation dedicated to independent practice in the UK. Its aim is to support doctors in independent practice to attain the highest professional standards in their care for patients.

The IDF has 900 members, 2/3 of whom are consultants, 1/3 GPs. It is a regional organisation with members in major British cities although the majority of its members are based around the London area.

Benefits of Corporate Sponsorship are:

- Access to the electronic database of membership
- Free half page advertising in the annual newsletter
- The opportunity to profile the organisation on the IDF website
- Words "Proud Sponsors of the IDF" can be used in marketing literature and on the member's website with a link to the IDF's website
- Networking opportunities through attendance at IDF meetings and participation in discussions. Two representative per corporate member can attend meetings/events unless the corporate member is sponsoring an event in which case the following applies: (The Study weekend is not included in this)
 - Sponsorship of up to £2000 per event will enable 2 corporate sponsor representatives to attend free of charge
 - Sponsorship of between £2000 - £3000 per event will enable 3 corporate sponsor representatives to attend free of charge
 - Sponsorship of over £3000 per event will enable 4 corporate sponsor representatives to attend free of charge

Numbers above these go on a waiting list and if there is space at the event will be charged at the guest rate.

- The opportunity to host one corporate sponsors networking meeting per annum to showcase the company's services to IDF Members. IDF Administration will regularly advertise the event by e-mail to all members and help with bookings. The event and registration form will be published on the IDF website and the IDF will also advertise one follow up meeting/notice
- The opportunity to highlight significant news in the IDF monthly e-bulletin up to a maximum of three times a year at the editor's discretion
- Sponsorship of over £7500 or the equivalent in kind in any one year would mean the annual membership fee for that particular year would be waived

MESSAGE FROM THE CORPORATE REPRESENTATIVE TO COUNCIL:

I have been a Corporate Sponsor of the IDF for many years and feel it is one of the best things I have ever done. I am proud to be a supporter of such a professional and highly respected organisation whose members are renowned for providing the highest standard of care. The synergy between the Doctors and the Corporate Sponsors is unquantifiable. It was an amazing honour to be elected as the Corporate Representative to Council and my aim is to increase the mutual involvement of the Doctors and Corporate Sponsors.
